## What weather do you need to protect against?

Pick the contract that best suits your needs
Rainy Day $\ddagger$

A Rainy Day Contract will pay you a specified amount for every day that the precipitation level is above a specified threshold.

Choose Dates of Coverage
06/01/10 to 06/30/10 including weekends and weekdays ?
(30 days)
Select Location (please read disclaimer)

$\$ 694.17$ buy now
In an average year, you can expect Rainy Days to be between 3.9 days and 8.5 days during this contract period. You may want to increase your Rainy Days to reduce your price and protect against more extreme risk.

Historical Payouts
What this contract would have paid out in previous years

| Year | Payout | Year | Payout |
| :--- | :--- | :--- | :--- |
| 2008 | $\$ 800$ | 1993 | $\$ 400$ |
